

Instructions for Students on how to use Moodle at LSUHSC-S

Creating a New User Account

Before you can do anything in Moodle you must create a New Account. This is done via e-mail confirmation.

To create the account, go to

<http://moodle.lsuhsershreveport.edu/>

The screenshot shows the Moodle login interface. At the top, it says "You are not logged in. (Login)". Below this is a "Login" form with fields for "Username" and "Password", a "Remember username" checkbox, and a "Login" button. Below the login form are links for "Create new account" and "Lost password?". A blue arrow points to the "Create new account" link.

- Click on **Create new account**
- You must use your LSUHSC email address. Others are excluded from this site.
- Fill in all the requested information

Choose your username and password

Username*

The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s)

Password* Unmask

More details

Email address*

Email (again)*

First name*

Last name*

City/town*

Country*

There are required fields in this form marked *.

Click **Create my new account** at the bottom of the page.

- Click **Continue**
- An email will be sent to your LSUHSC email address containing instructions to complete your registration

Update your profile

- In the previous email click on the tab **Edit profile**
- Make any changes and additions to your profile you desire
- Click **Update profile** at the bottom of your profile page

Logging in and enrolling in Module I.

Go to <http://moodle.lsuhschreveport.edu/>
Enter your user name and password in the Login block and log in.

- Under Year 1 click on **Module I**
- You will see a page that looks like this:

LSU Health Shreveport
MOODLE COURSE MANAGEMENT SYSTEM

Home ► Courses ► Year One ► Module I

Search courses: Go

Course categories: Year One / Module I

Module I courses

Module I 2014 Course director: Eric Aamodt Course director: David DeSha	Overview of the basic sciences
Inter 101 -- MI Course 1 (PowerPoints and Grades) Course director: Lucy Robinson Course director: Susonne Ursin	Module I, Course 1: Physiological Chemistry, Medical Genetics, and Developmental Biology.
Inter 102 -- MI Course 2 (PowerPoints and Grades)	Module I, Course 2: Cellular Structure and Function: Physiological and Pharmacological Processes.
